802 WD Z22 M

Zone 22 ATEX certified industrial vacuum

802WD Z22 M is an ATEX certified industrial vacuum, ideal for suction of large quantities of liquids, even in ATEX explosive atmospheres. Thanks to its sturdy steel construction, the double filtration kit (wet and dry) and the floating device, this vacuum is perfect to improve workers' safety and the efficiency of your plant.

- Double ATEX certificate (machine and motor)
- Maintenance free motor, very silent and suitable for 24/7 continuous duty
- Stainless steel container standard
- Double stage wet and dry filter with integrated self cleaning system
- Integrated floating device and PPL filter for liquids
- Integrated pressure relief valve
