## AS FIXE

Fixed suction unit for localized discharge

**With the industrial vacuum AS FIXE, Delfin wants to answer the need of several industries and professionals of having an industrial vacuum which can be fixed to the machine side.**

Its collection unit, equipped with a weighted flap discharge system allows the operator to easily collect the vacuumed material.

- Fixed suction and discharge
- Suitable for continuous duty applications 24/24
- No ordinary maintenance needed
- Can be fixed on walls or on metal frames, positioned depending on the specific needs
- Pressure relief valve as standard
- Weighted flap discharge system
- Remote control switch included
